

Customer Solutions

Customer Solutions, "At Your Service".

The Customer Solutions Department functioning in the City Manager's office has been developed to enhance service provided by the City of Troy. The new department is designed to be the first point of contact for residents, businesses and visitors to obtain information and assistance from the City of Troy.

We are committed, as always, to achieving the highest level of customer satisfaction and will continually strive to create a positive and enjoyable experience for our customers as they interact with the City of Troy.

Since the official launch of the Customer Solutions department on February 19, 2008 we have received over 1,000 requests for service, information or assistance.

Our web page is ready for your visit at: www.troymi.gov/CustomerSolutions

This page has been designed as a virtual service center. The easy to navigate page provides you with links to city news and events, frequently asked questions, service directories, maps and more. One of the highlights is the forms and applications tab. You can access forms and applications available from all departments in one convenient location.

From the new page, you can contact the Customer Solutions department with a single mouse click and send us an email with your questions or concerns. You will also find a City of Troy customer service survey; we would love to hear your comments and suggestions.

We look forward to hearing from you!

Financial Summary

**For the Year Ended
June 30, 2008**

City of Troy, Michigan

Fast Facts

Residential Population:

87,956
(Planning Department)

Workday Population:

125,000
(Real Estate & Economic Development)

Businesses:

5,741
(City Assessor's Office)

Area:

34.3 square miles

Taxable Value:

\$5.6 billion

Council/Manager Form of Government

The Mayor and six members of the City Council are elected to staggered, four-year terms. The Council appoints a City Manager to oversee daily operations and administrative functions.

Services

Basic community services are the highest priority. These include police and fire protection, refuse collection, water and wastewater collection, street maintenance, public improvements, planning, zoning, and administrative services. Troy's quality of life is also enhanced by recreation and leisure facilities including the Troy Public Library, Troy Museum & Historic Village, Family Aquatic Center, Nature Center, Sylvan Glen and Sanctuary Lake Golf Courses, 900 acres of parkland, and the Community Center.

Education

Top-rated school systems reinforce Troy's community strength and property values. Troy School District (TSD) serves the majority of households with an enrollment of 12,165. Six other school districts also serve Troy citizens: Avondale, Birmingham, Bloomfield Hills, Lamphere, Royal Oak and Warren Consolidated. Higher education is available through local institutions like Cornerstone College, the Michigan State Management Education Center, University of Phoenix, Walsh College, and nearby Oakland Community College and Oakland University. Central Michigan University, Northwood Institute, Spring Arbor College and University of Michigan-Flint offer satellite courses in Troy.

Business Connection

Troy's corporate citizens span a full range of financial, retail, automotive, technology, hospitality, service and manufacturing industries.

Have you played yet?

Opened in 2004, our **new course** offers one of the most unique golf experiences in all of Oakland County. This par 71 links-style setting has four sets of tees ranging from 4,750 to 6,555 yards, and boasts a course rating of 71.9 with a slope of 133.

Sanctuary Lake is built on 190 acres of rolling landscape. The course features approximately 80 strategically placed bunkers, small and undulating bent grass greens, and a vast variety of wildlife species.

The course is located at 1450 E. South Blvd. Between John R. and Dequindre in Troy. For more information call: (248)619-7671

GFOA Award for Outstanding Achievement

The Government Finance Officers Association of the United States of America and Canada (GFOA) has given an Award for Outstanding Achievement in Popular Annual Financial Reporting to the City of Troy for its Popular Annual Financial Report for the fiscal year ended June 30, 2007. The award for Outstanding Achievement in Popular Annual Financial Reporting is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government popular reports.

In order to receive an Award for Outstanding Achievement in Popular Annual Financial Reporting, a government unit must publish a Popular Annual Financial Report, the contents of which conform to program standards of creativity, presentation, ease of understanding and reader appeal.

An award for Outstanding Achievement in Popular Annual Financial Reporting is valid for a period of one year only. The City of Troy has received a Popular Award for the last nine consecutive years. We believe our current report continues to conform to the Popular Annual Financial Reporting requirements, and we are submitting it to GFOA.

Figure 2

Troy's diversified business community, strong residential market and conservative financial management perpetuates a stable economy through regional and national market fluctuations. A wide range of industries in the business community, well maintained neighborhoods, excellent schools, and continued investment into roads and infrastructure all contribute to Troy's resilience.

With 87,956 residents and the workday population exceeding 125,000, people constitute a strong market for the retail and service industries in Troy. These factors keep the City's unemployment rate below metro Detroit and state averages. See figure 4 to compare unemployment rates.

The community's growth in taxable valuation (TV) from 1995 to 2008 increased by 62% from \$3,425,410,880 to \$5,550,516,437 (see Figure 3). Within the state of Michigan, the city of Detroit is the only municipality with a higher taxable value than Troy.

A State assessed value of \$6.2 billion represents approximately 50% of estimated current market value. Taxable value is determined by the prior year's taxable value plus 5% or the consumer price index (whichever is less). Starting with the 1994 state equalized value as the base taxable value, the taxable value figure is multiplied by the tax rate to determine property tax revenue.

Voter Turnout

After 50 years of annual City Regular Elections being conducted in April, City Regular Elections were moved to odd-year Novembers in 2005. City Regular Elections in November have shown an increase in voter turnout

Figure 15

City of Troy Employees Retirement System Schedule of Funding Progress (Pension Benefit)

The above chart expresses the actuarial value of assets as a percentage of the actuarial accrued liability, which provides one indication of the system's funded status on an ongoing concern basis. Analysis of this percentage over time indicates whether the system is becoming financially stronger or weaker.

Figure 17

Performance Data

Building Permits and Construction

Troy's Building Department processes a wide range of construction permits each year. Despite some declines in total value of projects being built in Troy, the number of permits being pulled remains fairly high. This can be attributed to many smaller home and business improvement projects taking the place of major developments, as fewer parcels of land are available for large-scale projects.

Traffic Citations

Above and beyond Troy's almost 88,000 residents, a large commuting population that travels our roadways puts a heavy responsibility on Troy Police Road Patrol.

Hazardous Citations are issued for violations that could cause an accident, like speeding. Non-hazardous traffic citations are for minor violations that break ordinances, but do not generally put property or person at risk of damage or injury, for example, out-of-date registration.

Taxable vs. Assessed Value

Figure 5

The General Fund is the general operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund. General Fund activities are financed by revenues from general property taxes, state shared revenues and other sources.

Figure 6 shows the total revenue and expenditures of this fund from 1999 to 2008. An indicator of financial strength and stability is a positive fund balance in the General Fund. Since 1999, the General Fund fund balance had grown from \$17.9 to \$23.6 million. In 2002, 2003, 2007 and 2008 the revenue shortfall was covered by the Fund Balance.

The financial community has recognized the City's solid, diversified tax base and sound management. All three major rating agencies (Fitch IBCA, Moody's and Standard & Poor's) gave the City an "AAA" rating for unlimited tax general obligation bonds. This makes Troy one of the three highest rated municipalities in Michigan. High bond ratings translate to savings for the City and its taxpayers.

Getting More Information

City Awards and Accolades

Safest City – In November 2007, Morgan Quitno Press released their 14th annual analysis of FBI Crime reports that places Troy as the safest city in Michigan and among the top 25 safest cities in the United States.

Troy was one of four local cities identified as top performers for attracting and retaining entrepreneurial firms in a study by the University of Michigan – Dearborn School of Management for the second straight year.

The Troy Public Library ranked second in Michigan for public libraries of all sizes based on nationally gathered statistics.

Excellence in Procurement – The Troy Purchasing Department received the 2008 Achievement of Excellence in Procurement Award by the National Purchasing Institute for the 6th consecutive year.

GFOA Financial Reporting Awards – For the 9th consecutive year, the City of Troy received all three of the Government Finance Officers Association Awards for the City Budget Document, the Comprehensive Annual Financial Report and the City of Troy 2007 Financial Summary.

Troy has a **AAA bond rating** from Standard & Poor's, Fitch, IBCA and Moody's Investor Service, for its unlimited tax general obligation bonds.

2007 Life Safety Achievement Award – The Troy Fire Department has earned 12 Life Safety Achievement Awards, recognizing a continual effort of no fatalities in structure fires, in the past 12 years.

Outstanding Performance – Troy's Fleet Maintenance Division was named second best fleet in North America based on outstanding performance for fleet operations. They were also awarded the Blue Seal of Excellence through the Automotive Service Excellence Program, with 15 of the 17 Fleet Maintenance employees being ASE certified, several holding double master certifications in auto and medium/heavy truck.

Outstanding Commitment – The American Red Cross recognized the City of Troy's Community Blood Drive and the Troy City Employees with two platinum awards of excellence for outstanding commitment to its blood donation program.

Comprehensive Annual Financial Report (CAFR)

The information in this document has been drawn from the City of Troy Comprehensive Annual Financial Report (CAFR) for the fiscal year ended June 30, 2008. Complete financial statements of the City of Troy with additional demographic and economic information are published in the CAFR.

The City was awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada (GFOA) for its CAFR for the fiscal year ended June 30, 2007. The Certificate of Achievement is the highest form of recognition for excellence in state and local government financial reporting.

In order to be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized comprehensive annual financial report, the contents of which conform to program standards. The CAFR must satisfy both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only. We believe our CAFR continues to conform to the Certificate of Achievement program requirements and we are submitting our CAFR for the current year to the GFOA.

To request a copy of the CAFR, contact: John M. Lamerato, Assistant City Manager/Finance & Administration by mail at: 500 W. Big Beaver, Troy MI 48084; email at: lameratojm@troymi.gov or call: (248)524-3330.

Figure 9

Page 6

Revenues

The City of Troy collects funding from five major sources. Beyond property taxes, other revenues include licenses and permits, state shared revenue, charges for services, fines and forfeitures, investments income, miscellaneous receipts, and operating transfers. See Figure 10 for a breakdown of what percentage each elements represents of the total revenue.

Property Taxes: \$36.7 Million

The City's total tax rate of \$9.28 includes the General Fund, Refuse Collection, Debt Service and Capital Projects activities. The City is at its tax rate capacity for general and capital activities. The General Fund tax levy is \$6.50 mills of the 9.28 mills.

As indicated in figure 11, the City's tax rate represents just 27% of the total property tax bill for all taxing jurisdictions. Those tax dollars represent over half of the City's total revenue as illustrated in Figure 10.

Licenses and Permits: \$1.4 Million

Are mainly made up of building permits and trade licenses and permits.

State-Shared Revenue: \$6.8 Million

This money is revenue from the State of Michigan, mainly in the form of a return on sales tax revenue.

Charges for Services: \$7.6 Million

Fees charged for services and sales.

Some examples of charges for services include Community Center fees, cable franchise fees and county reimbursements.

Investment Income: \$.8 Million

Generated from interest on investments.

Miscellaneous Revenue: \$1.5 Million

Generated primarily by administrative fees and rent income.

Page 7

Capital Expenditures

Capital expenditures are a disbursement of money that results in the acquisition of, or addition to fixed assets.

Figure 13

Streets & Drains: \$8.3 Million

Streets and Drains improvements consisted of major road improvements: \$6.2 million, local roads: \$1.5 million and drains: \$0.6 million.

Recreation: \$2.2 Million

Park development projects: \$0.6 million, and parkland acquisition: \$1.4 million.

Public Safety: \$1.3 Million

Expenditures related to communications and Fire Station improvements. The City has developed a plan to reserve funds over several years to accommodate for apparatus replacement due to the significant cost of fire fighting equipment.

Sidewalks: \$0.7 Million

Expenditures for new and replacement sidewalk programs.

Other: \$2.8 Million

Expenditures include technology improvements, general building renovations and Transit Center study.

Library/Museum: \$0.2 Million

Expenditures were for the Historic Green improvement projects and Library general repairs.

Page 12

Capital Expenditures

Other Funds Used to Manage City Dollars

In accordance with Generally Accepted Accounting Principles (GAAP), the City's financial activities are accounted for in a variety of funds other than the General Fund.

Special Revenue Funds such as the Downtown Development Authority, Major Street, Local Street, Refuse and Community Development Block Grant Funds are used to account for the proceeds of specific revenue sources (other than major capital projects) that are legally restricted to expenditures for specific purposes.

Debt Service Funds account for the accumulation of resources for the annual payment of principal, interest and fees in connection with certain long-term debt other than debt payable from operations of a proprietary fund.

The Capital Projects Fund tracks financial resources for the acquisition or construction of major capital facilities other than those financed by the operations of a proprietary fund.

Enterprise Funds like Water, Sanitary Sewer, Aquatic Center and Golf Course Funds are used to account for operations that are similar to private business. Tracking the net income of Enterprise Funds helps evaluate programs and direct financial administration.

Internal Service Funds are used to account for the financing of goods and services provided by one department to other departments of the government on a cost reimbursement basis.

For more detailed information where the totals are represented by function, you should review the Comprehensive Annual Financial Report (CAFR). Both this summary and the CAFR are available at the Troy Public Library, 510 West Big Beaver and the City's website at: www.troymi.gov. If necessary, call (248)524-3330 to request a copy.
